INTRODUCTION

Te Rūnanga o Te Rarawa has the right under a deed of settlement to purchase properties from [name] (the **land holding agency**).

This right is given by:

- clause 10.14 of the deed of settlement; and
- part 5 of the property redress schedule to the deed of settlement (**part 5**).

PROPERTY TO BE VALUED

Te Rūnanga o Te Rarawa has given the land holding agency a notice of interest in purchasing:

[describe the property including its legal description].

[PROPERTY TO BE LEASED BACK

If Te Rūnanga o Te Rarawa purchases the property from the Crown, Te Rūnanga o Te Rarawa will lease the property back to the Crown on the terms provided by the lease in part 5 of the documents schedule to the deed of settlement (the **agreed lease**).

As the agreed lease is a ground lease, the ownership of the improvements on the property (the **Lessee's improvements**) remains unaffected by the transfer.]

DEED OF SETTLEMENT

A copy of the deed of settlement is enclosed.

Your attention is drawn to:

- part 5; and
- the agreed lease of the property in part 6 of the documents schedule to the deed.

TE RARAWA DEED OF SETTLEMENT
PROPERTY REDRESS SCHEDULE

5: RIGHT OF PURCHASE

All references in this letter to parts or paragraphs are to parts or paragraphs of part 5.

A term defined in the deed of settlement has the same meaning when used in these instructions.

The property is a joint valuation property for the purposes of part 5. Subpart B of part 5 applies to the valuation of joint valuation properties.

ASSESSMENT OF MARKET VALUE REQUIRED

You are required to undertake a valuation to assess the market value of the property as at **[date]** (the **valuation date**), being the date the land holding agency received the notice of interest in the property from Te Rūnanga o Te Rarawa.

[As the Lessee's improvements will not transfer, the market value of the property is to be the market value of its land (ie not including any Lessee's improvements).]

The market value of the property assessed by you will be the basis of establishing the "transfer value" at which Te Rūnanga o Te Rarawa may elect to purchase the property under part 5, plus GST if any.

[ASSESSMENT OF MARKET RENTAL REQUIRED

You are also required to assess the market rental (exclusive of GST) for the property, as at the valuation date, being the rent payable from the commencement of the agreed lease.

[The market rental for the property is to be the market rental payable under the agreed lease being a ground lease. So it will be the rent payable for its land (ie excluding any Lessee's improvements).]

REQUIREMENTS FOR YOUR VALUATION

Our requirements for your valuation are as follows.

You are to assume that:

- (a) the property is a current asset and was available for immediate sale as at the valuation date; and
- (b) all legislative processes that the Crown must meet before disposing of the property have been met.

Your valuation is:

- (a) to assess market value on the basis of market value as defined in the International Valuation Standards contained in the current edition of the Australia and New Zealand Valuation and Property Standards; and
- (b) to take into account:
 - (i) any encumbrances, interests, or other matters affecting or benefiting the property that were noted on its title on the valuation date; and
 - (ii) the terms of the agreed lease; and

TE RARAWA DEED OF SETTLEMENT
PROPERTY REDRESS SCHEDULE

5: RIGHT OF PURCHASE

- (iii) the attached disclosure information about the property that has been given by the land holding agency to Te Rūnanga o Te Rarawa, including the disclosed encumbrances; and
 - (iv) the terms of transfer in part 6 of the property redress schedule to the deed of settlement (that will apply to a purchase of the property by Te Rūnanga o Te Rarawa); but
- (c) not to take into account a claim in relation to the property by, or on behalf of, [the settling group]; and
- (d) in relation to the market rental for the property, to be on the basis of a willing lessor and a willing lessee, in an arm's length transaction, the parties having acted knowledgeably, prudently, and without compulsion].

REQUIREMENTS FOR YOUR VALUATION REPORT

We require a full valuation report in accordance with the current edition of the Australia and New Zealand Valuation and Property Standards, including:

- (a) an executive summary, containing a summary of:
 - (i) the valuation; and
 - (ii) [the market rental; and]
 - (iii) the key valuation parameters; and
 - (iv) the key variables affecting value; and
- (b) a detailed description, and a clear statement, of the land value; and
- (c) a clear statement as to any impact of:

INTRODUCTION

[Name] (Te Rūnanga o Te Rarawa) has the right under a deed of settlement to purchase properties from [name] (the **land holding agency**).

This right is given by:

- (a) clause 10.14 of the deed of settlement; and
- (b) part 5 of the property redress schedule to the deed of settlement (**part 5**).

PROPERTY TO BE VALUED

Te Rūnanga o Te Rarawa has given the land holding agency a notice of interest in purchasing:

[describe the property including its legal description]

[PROPERTY TO BE LEASED BACK

If Te Rūnanga o Te Rarawa purchases the property from the Crown, Te Rūnanga o Te Rarawa will lease the property back to the Crown on the terms provided by the lease in part 6 of the documents schedule to the deed of settlement [or in the case of a school site, the lease agreed between the Ministry of Education and Te Rūnanga o Te Rarawa] (the **agreed lease**).

As the agreed lease is a ground lease, the ownership of the improvements on the property (the **Lessee's improvements**) remains unaffected by the transfer.]

DEED OF SETTLEMENT

A copy of the deed of settlement is enclosed.

5: RIGHT OF PURCHASE

Your attention is drawn to:

- (a) part 5 ; [and
- (b) the agreed lease.

All references in this letter to subparts or paragraphs are to subparts or paragraphs of part 5.

A term defined in the deed of settlement has the same meaning when used in these instructions.

The property is a separate valuation property for the purposes of part 5. Subpart C of part 5 applies to the valuation of separate valuation properties.

ASSESSMENT OF MARKET VALUE REQUIRED

You are required to undertake a valuation to assess the market value of the property as at **[date]** (the **valuation date**), being the date the land holding agency received the notice of interest in the property from Te Rūnanga o Te Rarawa.

[As the Lessee's improvements will not transfer, the market value of the property is to be the market value of its land (ie not including any Lessee's improvements).]

The [land holding agency][Te Rūnanga o Te Rarawa][~~delete one~~] will require another registered valuer to assess the market value of the property [,and its market rental,] as at the valuation date.

The two valuations are to enable the market value of the property, [and its market rental,] to be determined either:

- (a) by agreement between the parties; or
- (b) by arbitration.

The market value of the property so determined will be the basis of establishing the "transfer value" at which Te Rūnanga o Te Rarawa may elect to purchase the property under part 5, plus GST if any.

[ASSESSMENT OF MARKET RENTAL REQUIRED

You are also required to assess the market rental (exclusive of GST) for the property, as at the valuation date, being the rental payable from the commencement of the agreed lease.

The market rental for the property is to be the market rental payable under the agreed lease, being a ground lease. So it will be the rent payable for its land (ie excluding any Lessee's improvements).]
