

Tables Summarising the Alienation of Te Rarawa Lands

The following tables list the known alienations of Te Rarawa lands. Further research could reveal more. Apart from the pre-treaty transactions, the focus is on Crown acquisitions. Details about the circumstances surrounding each set of alienations, including Crown policy, legislation, practice with illustrative case studies may be found in the 'Te Rarawa Historical Overview Report' (Overview Report).¹ The alienation tables are followed by tables showing Te Rarawa lands contained in the Northland State Forest Park and scenic and other reserves.
